

# 2022Jhoon Rhee TKD: Leadership Tip Requirement (ver 1.2022)

The Leadership Tip is a requirement for all advanced belt students starting at Red Belt. Students (high school and below) are required to complete 10 leadership classes to achieve the purple leadership tip for your next rank. The leadership tip is required for every rank up to 2<sup>nd</sup> Degree Black Belt. The main purpose of leadership class is to help higher ranking students sharpen their previously learned forms. Therefore, leadership can only be done during forms week. The guidelines for the leadership participation are listed below. If you are taking a class for a leadership credit, show up as usual and place your attendance card in the inbox. You can monitor your leadership credits by looking at the date stamps at the bottom of your attendance card. If you are late (regardless of the reason) you will not be allowed to participate. While in a lower belt class, remember to lead by example! Lower ranked students are looking up to you so it's important that you set a positive example.
