***KNOWLEDGE IN THE MIND
HONESTY IN THE HEART
STRENGTH IN THE BODY***

WELCOME!

Dear New Student,

Welcome to the Jhoon Rhee Institute of Tae Kwon Do, one of the most prestigious martial arts institutions in the world. The Institute was founded by 10th degree Black Belt Grandmaster Jhoon Rhee, on June 28, 1962. Some of Grand Master Rhee famous students include Muhammad Ali, George Allen, Jack Anderson, Bruce Lee and over 100 U.S. Congressmen and Senators. Over 80,000 Washingtonians have benefited from our program since its opening.

Grand Master Rhee's honors include a 1975 Professional Karate Magazine Hall of Fame Award, a 1976 Martial Arts Man of the Century Award at the American Bicentennial Sports Awards Banquet, and a 1983 Black Belt Magazine Man of the Year Award. Grand Master Rhee is also the author of five Tae Kwon Do books, and has starred in two movies; "When Tae Kwon Do Strikes" and "The Silent Master". He is also the only Asian American who served as the national chairman for the American Independence Day Festival in 1983. Most recently, Grand Master Rhee was selected as one of the top 200 most famous immigrants to the United States by the National Immigration Forum, in conjunction with the U.S. Immigration and Naturalization Service. Master Rhee was the sole Korean-American to receive the honor.

I am confident that your child will benefit from our philosophical and physical training program. We put great emphasis on the importance of education pertaining to strength in the body, honesty in the heart, and knowledge in the mind. Since 1978, our Black Belt candidates of primary and secondary school level have been required to achieve at least a "B" average in their school studies. Today, thousands of martial arts studios across the country have adopted the B average policy which the Jhoon Rhee Institute originally initiated.

I would like to congratulate you on the choice you just made in becoming one of our students. We will do everything we can to motivate you to become a conscientious and strong future leader. Be sure to read all the enclosed material before you test for your white belt. Most of the questions you may have should be answered by the information in this packet. If there is anything that we can help you do not hesitate to ask. Please set your goals, work hard, and we'll help you reach your ultimate goal - the coveted "Jhoon Rhee Black Belt." On behalf of our current students, the staff, and Grand Master Jhoon Rhee, I thank you for your trust in our program and welcome you to the Jhoon Rhee Family.

STUDIO PROCEDURES

(Subject to change without notice)

Attendance:

Students in the trial membership are limited to 2 classes per week. If you have enrolled in our regular membership (after the trial) Students in the Black Belt Club program (ages 7 and older) may attend 3 classes per week. Students in the Kneehigh Ninja Membership are limited to 2 classes per week. Please arrive to class on time! Students may not be permitted to attend class once the student creed has been recited.

Dressing Room:

There are separate bathrooms for males and females where you may change into your uniform. If you need to change, please allow enough time before the scheduled class time. **All bags and shoes are to be placed in the cubbies in the waiting area.** Please do not leave any personal belongings in this room for any extended period of time. **The staff or studio is not responsible for any lost or stolen items left in the studio.**

Patches:

Four patches are required on your uniform; the American Flag (placed over the right shoulder), Korean flag (placed over the left shoulder with the red crest on top), the Jhoon Rhee Institute "Fist" patch (placed over the left chest), and the Jhoon Rhee International patch (placed over the right chest). Academic Achiever, Competition, and Demo Team patches are also available for students who qualify to receive these patches. The optional "Star" patches should be placed around the collar of the uniform.

Practicing at Home:

Practicing at home is vital for the student to progress in martial arts training. 80% of what a person learns is directly attributed to the amount of time a student spends taking what they learned in class and practicing it at home. All you need is a little space and as little as 15 minutes a day. Not having enough space or time is no excuse not to practice. Some of the activities, such as stretching and balancing, can be done while you are watching TV! The best time to practice would be before dinner or as a study break from homework. Remember the saying, "Perfect practice makes Perfect." If you are not sure about any of these activities please ask your instructor. Practice takes discipline and in order for it to be effective, you must develop a habit of practicing. Start today and monitor your progress for 21 days straight, by then you should have developed a habit of practicing. Please request a training log from the instructor to monitor your monthly practice schedule.

Tae Kwon Do Notebook:

All students in Junior High School and below are required to keep a Tae Kwon Do binder (like a scrapbook of his/her progress in the program). Information on this binder is enclosed on a separate sheet. The notebook must be presented before each belt test.

Email Newsletter:

Every week an email is sent out to inform students of any important school events such as graduation, class cancellations due to weather, party's, etc. Please be sure that the studio has your home or work email address. You can also check the website (JhoonRheeTKD.com) for school events and updates.

Your Path to Black Belt!

Earning the first belt builds tremendous confidence and self-esteem in our young students. Therefore, it is important to help your child prepare for the white belt test within the first two weeks of the trial membership. You'll be surprised how hard your child will work to earn the first belt.

If you are in a trial membership, the highest rank you can earn is the white belt. Only students enrolled in one of our regular 1 year memberships or longer can test beyond the white belt rank.
